Terms & Conditions.

1. Scope Of Work The Developer Agrees To Deliver Front-End Components, Including UI Layout, Responsiveness, Styling, And Interactivity As Per Agreed Specifications. Any Features Or Pages Not Explicitly Listed In The Initial Project Scope Are Considered "Out Of Scope" And Will Require A Separate Agreement Or Additional Fees.

2. Project Requirements & Content The Client Must Provide All Necessary Materials (Text, High-Resolution Logos, Images, And Branding Guidelines) Before Development Begins. The Developer Is Not Responsible For Proofreading Or Content Creation Unless Specified. Delays In Providing These Materials Will Result In A Day-For-Day Extension Of The Project Deadline.

3. Timeline & Delivery Project Timelines Are Estimates Based On Timely Feedback. The Developer Will Make Every Effort To Meet Deadlines, But Delivery Dates Are Subject To Change If The Client Delays Feedback Or Resource Delivery.

4. Payment Terms A Non-Refundable Advance Payment Of [40%] Is Required To Start The Project. The Remaining Balance Is Due Upon Completion Or At Agreed Milestones. Final Project Files And "Live" Deployment Will Only Occur After The Full Balance Has Been Cleared.

5. Revisions Policy The Project Includes [2–3] Rounds Of Revisions. A "Round" Is Defined As A List Of Changes Provided By The Client At One Time. Any Revisions Requested After These Rounds Are Exhausted, Or After Final Approval, Will Be Billed At The Developer’s Standard Hourly Rate.

6. Change Requests Any Modification To The Original Scope (New Features, Framework Changes, Or Redesigns) Will Be Treated As A Change Request. This May Result In A Revised Quote And A New Delivery Timeline.

7. Communication All Project-Related Communication Must Be Conducted Via [Email/WhatsApp] To Maintain A Clear Record. Client Feedback Must Be Provided Within [3] Business Days To Keep The Project On Schedule.

8. Third-Party Tools & Dependencies The Client Is Responsible For The Cost And Licensing Of Any Third-Party Plugins, APIs, Fonts, Or Premium Assets Required For The Project. The Developer Is Not Liable For Issues, Downtime, Or Bugs Caused By These Third-Party Services.

9. Compatibility & Testing The Website Will Be Tested On The Latest Versions Of Modern Browsers (Chrome, Safari, Firefox, Edge). Compatibility With Outdated Browsers (Like Internet Explorer) Or Specific Niche Devices Must Be Requested In Advance And May Incur Extra Costs.

10. Ownership, Liability & Termination Upon Full Payment, The Client Receives Ownership Of The Final Code; However, The Developer Retains The Right To Showcase The Work In Their Portfolio. Both Parties Agree To Keep Proprietary Information Confidential. Either Party May Terminate The Agreement With Written Notice, But The Client Must Pay For All Work Completed Up To That Date. The Developer Is Not Liable For Damages Arising From Hosting Failures, Server Issues, Or Misuse Of Code. Making A Payment Or Starting The Project Indicates Full Acceptance Of These Terms.
